Club Fee Payments

Club fees apply to the entire 2026/2027 season and are not monthly charges. For convenience, the total amount is divided into equal installment payments.

The Club has provided you with two payment options:

- Payment Option #1: Full payment of Registration and Club Fees at time of joining.
- Payment Option #2: Registration Fee plus Six (6) equal installments via SportsEngine preauthorized monthly credit card charge. July 15th to December 15th.

Please note: If you join after the season has started, your installment plan may be adjusted based on your start date.

If you choose an installment plan, your card will be automatically charged on the 15th of the month. Processing fees may apply to credit card payments. Selecting an installment plan does not reduce your total financial obligation. You are committing to the full seasonal fee, regardless of the payment method selected.

Payments are due on the 15th of each month. If payment is not received by the end of the month, a \$35 late fee will be applied. If your account becomes more than 14 days overdue, your child may not participate in training or matches until the balance is paid in full. There are no exceptions to this policy.

Accounts that remain delinquent will incur an additional \$35 late fee for every 30 days past due. Players with unpaid balances may be temporarily suspended from participation in training and matches until the account is brought current.

I acknowledge that all payments are final, non-refundable, and that I am responsible for completing the full financial commitment for the 2026/2027 season.
